ABOUT ME

Bachelor of Computer Applications (BCA) graduate with a strong foundation in computer science, programming, networking, and cloud technologies. Seeking to begin a career in a technical role where I can apply my technical knowledge, problem-solving skills, and hands-on experience. Eager to work in a challenging environment, learn new technologies, and grow professionally in the IT industry.

INTERNSHIPS

2024 - 2025
UNIQ Technology l T.Nagar, Chennai

INTERNSHIP IN PYTHON

- Developed and implemented Python scripts and applications.
- Gained hands-on experience with popular libraries and frameworks (e.g., Pandas, NumPy, Flask/Django).
- Analyzed and visualized data using Python tools.
- Collaborated on projects, applying problem-solving skills

2025 - 2026
Pantech E-Learning, T. Nagar, Chennai

INTERNSHIP IN MY SQL

- Gained hands-on experience with database management and querying using SQL.
- Designed, implemented, and optimized database schemas.
- Developed complex SQL queries to extract insights and analyze data.
- Collaborated with teams to ensure data accuracy and integrity.

2025 - 2026
Spring Communication, Pallikaranai, Chennai

INTERNSHIP IN CYBER SECURITY

- Gained hands-on experience with threat detection and incident response
- Implemented robust security measures to protect against vulnerabilities and attacks
- Collaborated with teams to ensure data encryption and access controls
- Developed incident response plans for potential security breaches

TRAINING & DEVELOPMENT

Sr.Executive Training (Voice & Non-Voice), Santhome (December 2025 - Present)

- Undergoing NSDC certified training by Mafoi Foundation, focusing on developing strong communication and customer service skills for voice and non-voice processes.
- Gaining hands-on experience in handling customer queries, resolving issues, and enhancing problem-solving abilities for a career BPO industry.

CERTIFICATION

March 10,2025-Web Development Fundamentals
July 06,2025-Generative Al in Action
July 06,2025-Getting Started with Artificial Intelligence
July 06,2025-Data Classification and Summarization Using IBM Granite
July 06,2025-Code Generation and Optimization Using IBM Granite
December 19,2025-Artificial Intelligence Fundamentals

EDUCATION

BCA: Current degree with IT foundation-ongoing Patrician College of arts and science

HSC COMPUTER APPLICATION: Strong base in COMPUTER APPLICATION. ST.THOMAS MATRICULATION HIGHER SECONDARY SCHOOL

TECHNICAL SKILLS

- Software Testing - Bug detection & validation
- Machine Learning - Intelligent model development
- Networking - Network setup & management
- Python Programming - Backend & automation coding
- Data Analysis - Data interpretation skills
- Problem-Solving - Logical issue resolution
- Communication - Clear information delivery n
- Customer Service - Client handling skills
